

National Panhellenic Conference

AMENDMENT TO THE UNANIMOUS AGREEMENTS AGREEMENT VII. COLLEGE PANHELLENIC ASSOCIATION JUDICIAL PROCEDURES #4. APPEALS, A

Whereas, The current appeals process states that any involved party may appeal a decision of the College Panhellenic Association within 48 hours after it is rendered to the NPC College Panhellenics Judicial Appeals Chairman, by filing a Notice of Appeal on the appropriate form with the College Panhellenic President;

Whereas, the decision to appeal such a determination is a serious one and should be considered carefully by the chapter in consultation with its NPC Delegate;

Whereas, 48 hours does not allow adequate time for the chapter to contact its NPC Delegate and for her to review the sanctions determined and consider the merit of appealing to the NPC College Panhellenic Judicial Appeals Committee; and

Whereas, a full week's time, which is the same amount of time the College Panhellenic Association has to deliver the College Notice of Infraction Form to the accused fraternity, would better accommodate the communications that should occur before a fraternity decides whether to file a Notice of Appeal;

Resolved, That a decision of the College Panhellenic Association Judicial Board may be appealed by any involved party to the NPC College Panhellenics Judicial Appeals Chairman by filing the College Panhellenic Notice of Appeal form with the College Panhellenic President within one week of the decision.

Unanimous Agreement VII, #4 Appeals, A. would then read as follows:

A. Judicial Board Decision. A decision of the College Panhellenics Association Judicial Board may be appealed by any involved party to the NPC College Panhellenics Judicial Appeals Chairman. An appeal shall be filed with the College Panhellenic President using the College Panhellenic Notice of Appeal form within one week of the decision.
